OUR CACHAÇA

Our caipirinhas are made with our very own cachaça, Magnifica de Faria Las Iguanas.

For the last 30 years, Magnifica has been produced by the de Faria family in the mountains near Rio de Janeiro, in a unique triple copper pot still. This results in a top quality cachaça that has won international awards & is consistently ranked among the best in Brazil.

You won't find another cachaça like it, either in the UK or Brazil, just as you won't find another caipirinha like ours.
