TEQUILA

25ml

Tequila, por favor! Our favourite spirit was first produced in Mexico in 1595, after new vineyards were banned and Don Pedro Sánchez de Tagle (also known as the Father of Tequila) decided to see what he could do with the neglected blue agave plant instead. Salud to you, Don Pedro!

If you haven't heard of tequila's smoky older sibling yet, we guarantee you will soon. Though it's generally consumed straight in Mexico, we'd recommend trying our new Mezcal Margarita if you're looking to ease yourself in.
